Salem Outreach and Livability Services (SoS)

The **SoS Team** addressed areas this past week at the corner of Airway Drive and Turner Road. This week's efforts are focusing on:

- Cascade Gateway Park
- Marion Square Park, Coldwell Banker and ARCHES
- State property near Geer Park
- Indian School Road

The SoS Team provides direct outreach to those living unsheltered, to share resources and alternative options to assist property owners with those who may be trespassing on private property, and to pick up trash.

Needs

Local food banks report more than a 20% reduction in donations while inflation is driving up the costs of food. You can be part of a solution in our community by donating to Marion and Polk County Food Share. Your donations will help our neighbors transitioning from shelters to their new, permanent, affordable homes. For some, leaving shelter also means they are leaving two or more prepared meals a day. Your donations to help build food security in our community will help our neighbors as they settle into their new homes.

Women's Shelter Seeks Volunteers: Help SafeSleep United, managed by the United Way of the Mid-Willamette Valley, serve women experiencing homelessness by filling needed volunteer shifts! Visit [their web page](#) for information.

Expanding Housing and Shelter

- The **Navigation Center** sheltered 82 people during the past three months, according to their quarterly report. In addition, 13 people were able to exit to positive destinations during the quarter, most with the help of Rapid Rehousing funding provided through the

governor's Emergency Order. This experience shows the effectiveness of pairing the Navigation Center with Rapid Rehousing funds to help people who will have an ongoing need for rent assistance. Another four people who were unemployed obtained employment.

- **Sequoia Crossings** permanent supportive housing in NE Salem is now full and home to 60 households, many of them with two or more residents.
- **Salem Housing Authority is now accepting applications for multiple waiting lists.** Lists close on May 19, 2024, at 11:59 p.m.
- The **Safe Parking Network** partners with local communities to provide legal parking spaces on their property for those who are unsheltered to stay in their vehicle overnight. C@P's goal is to help transition those in our Safe Parking program to permanent housing as quickly as possible. Call 971-375-7491 or email safeparking@church-at-the-park.org.

Day Center Services

- [ARCHES](#) day center is open Wednesday through Sunday at 615 Commercial Street NE
